

# Children's Afrin® Saline Moisturizing Daily Nasal Mist (Drug Free)

## USES

This isotonic solution helps cleanse and hydrate dry nasal passages. Helps clear out excessive mucus, allergens and irritants in the nose.

## WARNINGS

- To avoid contamination or its spread, do not share product with others
- Avoid spraying in eyes. Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Do not freeze.
- May cause temporary burning or stinging of nose if mucous membranes are highly irritated
- Use only as directed
- Do not use if you have ever had an allergic reaction to this product or any of its ingredients
- For infants under 6 months, please ask pediatrician before use
- **Keep out of reach of children except under adult supervision. If swallowed, get medical help or contact a Poison Control Center right away.**

**CHOKING HAZARD-SMALL PARTS**

## DIRECTIONS (For nasal use only)

**Under adult supervision, for infants and children 6 months to under 6 years of age:**

- Tilt head to the right and insert the nozzle tip into the left upper nostril parallel to the nose. Press gently until the nasal passages are moist. Do not insert the nozzle beyond the flange. Do not spray longer than 1 second.
- Repeat for the other nostril after turning head to the left
- Use as often as needed or as directed by your doctor
- Rinse and clean the nozzle after each use

**Under adult supervision, for children 6 years of age and older:**

- Insert the nozzle tip into nostril and press gently until the nasal passages are moist
- Blow your nose very gently. Repeat for the other nostril.
- Use as often as needed or as directed by your doctor
- Rinse and clean the nozzle after each use
